

# The Personality

- **Junior:** Helen, what do you think of the new dean?
- **Helen:** I don't know. I do not like him.
- **Junior:** No? Why?
- **Helen:** He seems selfish, grumpy, grumpy and I remember when he was teaching me he would scold me for not turning in an assignment.
- **Junior:** Really? I like him, he is helpful and friendly.
- **Helen:** What do you think of his wife?
- **Junior:** She is beautiful, she has a lot of patience.
- **Helen:** Yes? I don't think so, because if her husband is like that, imagine her.
- **Junior:** Yes, she is also kind. What do you think of me, Helen?
- **Helen:** Well, you're not so bad, you have a funny personality.
